What's included

Fully installed

Prices include professional installation by our own team, and we leave the graveside immaculate.

Our guarantees

30-year structural fixing guarantee, 10-year workmanship guarantee and 2-year subsidence guarantee.

We handle permits

We submit the cemetery permit application and manage all correspondence. The permit fee is set by the cemetery and confirmed in your quote.

Itemised, no-pressure quotes

A detailed written quote with itemised pricing, a design mockup and all options explained. Quotes are valid for 30 days.

How ordering works

1. **Consultation**
   Visit our North London showroom, call us or use the online form. We listen and advise — no obligation.

2. **Design & quote**
   Your itemised quote and design mockup, with the total price including installation. Take all the time you need.

3. **Permit & creation**
   A 50% deposit plus the cemetery permit fee confirms your order. We apply for the permit, and your stone is made only once the cemetery permit is approved.

4. **Installation**
   Typically 12–24 weeks from order, depending on the cemetery. The balance is due before installation.
